**\*\*If you wish your child to bring home their Chromebook during the year, please purchase a second charging cord to keep at home, as the ones in the class will be attached to the cart for the year and are not easily removed.**

**\*\*Additional supplies may need to be purchased as supplies run out or break.**

**\*\*Extra supplies are to be kept safely in student lockers when not being used.**

**\*\*Individual teachers may request additional items throughout the year.**
